

Hometown News celebrates your accomplishments.

Congratulations! It's time to let your family and friends at home know about your accomplishment by filling out a Hometown News Release Form.

To submit your Hometown News release:

The Air Force Hometown News Service is a chance to publicize your career achievement through your hometown newspaper, radio or television station. The Hometown News Release isn't just for military members: it's also for government civilian employees.

The Hometown News Service was designed to showcase the worldwide accomplishments and activities of Airmen and present a positive image of Air Force people through print and electronic news releases.

In other words, we want to show off what our Airmen have done.
